FIVE YEAR PLAN

1. A Baby House – Our dream was always to have three homes. A baby home, an Educational Home and Assisted Independent Living. We are pursuing a derelict home in Beaufort Street through the Public Works Department.
2. **Offer counselling services not only for us, which we are doing, but for the community too.**
3. A fourth “home/space” for skills training but like a business hub. Each one reach one, each one, teach one is our motto for this hub. – We are utilizing the space on the side of the house at Assisted Independent Living to start off with.
